

ABC Learning Center receives computers for preschoolers

APRIL 2015

ROCKPORT, TEXAS - LNV cleaned up and donated eight computers and monitors to ABC Learning Center in Rockport. The new computers are being used to strengthen students' skills in preparation for a lifetime of learning.

ABC Learning Center is governed by the Rockport Christian Services Association, Inc., a nonprofit corporation organized in 1976. Its purpose is to provide educational programs for preschool age children within a Christian environment, in preparation for public or private school.
