

LNV CELEBRATES PARK OPENING

JUNE 2015

KERRVILLE, TEXAS - LNV and the City of Kerrville staff celebrated the opening of Louise Hays Park and River Trail with a ribbon cutting June 13, 2015.

LNV provided civil design services for the river trail, structural design services for the shade canopies, utility coordination and MEP support services. The park project provided a continuous four mile trail along the Guadalupe River, with trailheads located at the Riverside Nature Center and on G Street, as well as Kerrville-Schreiner, Louise Hays, and Lehmann and Monroe Parks.

Louise Hays Park, also nicknamed "the park built in a day," is a 63.5 acre park located in Kerrville, Texas. Guadalupe River access, tennis courts, volleyball and basketball courts, birding, trails, a stage, barbecue pits, horseshoe and washer pits, pavilions and a newly renovated playground area are just some of the communal amenities the park has to offer.
